Dear Senator Tower:

After asking myself where to address this letter I decided as State Senator you yourself would

Lets locate and try to free Raoul Wallenberg. The story is gripping if true. Could it be he is still alive? If released, could he surviveⁱⁿ the new Sweden? If this man had assisted the Jews in World War II, of what crime is that to the USSR? It doesn't make sense.

Please use your office as US Senator to request the whereabouts of Wallenberg from counselor ^{Service} United States or Russian to acknowledge if he still lives.
